Hi Helen,

12:30 sounds good. I'll bring a tossed salad for everyone.
I like anything except olives and anchovies ☺

<http://primotoo.com/menu/>

Hi everyone,
Here is the link to the Pizza menu for Primo Too in Amherst (they deliver and also have slices available). Wondering what everyone feels like, possibly one with meats and another veggies? Is anyone interested in a salad to go with the pizza? Another option is to get slices, if folks one certain ones in particular ...
If everybody could bring their own drink - we all then get what we like.

As soon as we know what the majority would like to eat - - I will try to come up with a \$ amount to chip in (pizza, tax, delivery tip)

How does 12:30 next Friday December 14th sound - around our table? We might need some extra chairs.

We'll provide plates, napkins, and have forks & knives.

Helen
